

RE: Water Amenity (Spray Deck) Hours and Contact Information Summer 2017

The City of Edmonton's Neighbourhood Recreation Experience Section of the Community Recreation Facilities Branch has recently taken on coordination of neighbourhood water amenities (spray parks) city wide. Coordination of the water amenities includes but is not limited to the following tasks:

- Coordination of water turn on and water turn off for water amenities
- Establishing water amenity hours of operation
- Coordination of all maintenance concerns
- Advertising hours of operation of the water amenity

In light of this recent change, all communication related to maintenance issues or operational hours for these water amenities can be directed to myself, **Fiona Bell**, using the contact information listed at the bottom of this email or through calling 311.

Neighbourhood Recreation Experiences is committed to making our play spaces, and opportunities as accessible as possible for all citizens of Edmonton. As part of our effort we are piloting new school site hours of operation for the months of May & June. This pilot will be evaluated throughout the month of June with local schools, community leagues, and with citizens and spray park users visiting these sites.

Site hours of operation and turn on and off dates are listed below (*please note that these dates are subject to change due to weather conditions*):

Water Turn On: May 19th (weather dependent)

Operating Hours: May 19th - September 18th : 9:00 am - 9:00 pm Monday - Sunday

Water Turn Off: September 18th (weather dependent)

If there are any concerns that you have regarding these proposed hours I would appreciate hearing from you as soon as possible.

Please feel free to use the attached poster to advertise the hours of operation within your community.

Thank you for time and consideration in regards to this matter,

Sincerely,

A handwritten signature in black ink that reads "Fiona Bell".
